**SUPPLEMENTAL APPEAL BRIEF
IN SUPPORT OF APPELLANT'S APPEAL
TO THE BOARD OF PATENT APPEALS AND INTERFERENCES**

Members of the Board:

Applicant herein requests reinstatement of the Appeal of the above-captioned case.

Applicant (hereafter "Appellant") herein submits this Supplemental Brief in triplicate in support of his Appeal from a final decision by the Examiner in the above-captioned case. On February 28, 2001, while the above-captioned case was on Appeal, the Examiner issued an Office Action to reopen prosecution. Appellant asserts that the Office Action was improper under MPEP 1208.2, as the Office Action contained no new grounds of rejection but simply reiterated the

grounds of rejection from which the case was appealed. Appellant respectfully requests reinstatement and consideration of this Appeal by the Board of Patent Appeals and Interferences for allowance of the claims in the above-captioned patent application.

An oral hearing is not desired.
